DELIVERY INSTRUCTIONS

WAC, in partnership with Uber Connect, offers home delivery for all your favorite menu items.

Delivery rates apply, based on distance up to 30 miles. Please ask for delivery fees when placing your order.

ORDERING INSTRUCTIONS

It is best to order as far in advance as possible, ideally at least 48 hours' notice. Holidays and peak times create special demand and additional notice would be appreciated.

If you have a favorite that is not listed here, we will make every effort to fulfill your request.

All fresh baked goods will be available daily after 12 noon. Orders not picked up will be billed and cannot be guaranteed.

To place an order; please call the carryout line at 312-239-0212 or email your order to carryout@wacchicago.com. Keep in mind, when emailing your order, it is not confirmed until you receive a confirmation email.

A carryout coordinator is staffed Monday - Saturday* from 9:00 am-5:00 pm (Monday - Friday in July and August). Any needs before or after these hours, please reach out directly to concierge at 312-944-6123.

A grab and go menu is available online and on the WAC mobile app. Grab and go is for day of orders and only contains menu items that can be created the same day. You are only able to select times available when carryout is open.
